

# Trip to London by the final year students in the European section

November 2024

European classes // Terminales 4, 5, 6

Lycée Marie Curie Versailles

As they do every year, our final year European section students travelled to London to learn more about this cosmopolitan, powerful and world-class city. They visited iconic sites and museums linked to the programme, such as the Docklands Museum, Canary Wharf and the City, Southbank, the ship HMS Belfast, the Imperial War Museum, the Churchill Cabinet War Room and the British Museum. At the same time, guided walks were organised around London, giving them the opportunity to explore different areas, including the City of Westminster with the Houses of Parliament, Westminster Abbey, Buckingham, Trafalgar Square, Regent Street, Carnaby Street, Oxford Street and Covent Garden. They also discovered Portsmouth and the D-Day Museum.
